Teacher, friend, counselor,
and interpreter of
the beautiful in
life.

GRACE FELGAR

It is with sincere pleasure that the Class of 1953 dedicates this volume of the Wecomi to Miss Grace Felgar who for many years has endeared herself and her classes to succeeding groups of students.

Miss Felgar is known for the fineness of her scholarship and the depth of her perception in the classics. She is also loved for the friendliness of her guidance.

We have appreciated the ways in which she has opened up the limitless fields of literature to our minds, but mostly we have loved the way she has of pointing up those paths that lead to beauty in all things.

IN MEMORIAM

Someone has said that a teacher does not need an epitaph because her life has been written in those undying pages of her pupils minds and lives.

We are sure that Miss McCormick wrote long and well. Her devotion to her work and her pupils was so consistent as to seem an essential part of her.

We miss her beyond the power of words to describe. We miss the strength of her character, and the sureness with which she met emergencies. We miss the kindliness of her smile and the deep penetration of her mind.

Wheaton High School will forever be in debt to her, as will those pupils who were fortunate enough to have her as a teacher.

"FINIS"

The strife is o'er, the battle done, and, as the smoke departs,
We're glad we're through, and yet we feel a tugging at our hearts.
We think of things we should have done, of tests we might have passed;
And as we throw our books on high and shout, "We're through at last!"
We call to mind those incidents that we remember best:
The football games, our growing pains, the plays, and all the rest;
The Varsity show, report cards, and the dances that we planned—
The highlights and the shadows that have meant the most to us.

CROSS COUNTRY 1953

Losing just one regular because of graduation, Mr. Barker worked the two-milers hard to get them into condition for a winning season. Destined to be outstanding was Glen Collins, who went downstate as a junior last year. Aided by some fine running teammates, Glen proceeded to break existing records and help his team to victory over Elgin, Wheaton Academy, and Glenbard. The season was climaxed when this well coached team took third in the district meet, Collins placing second.

Mr. Barker is looking forward to another above average team this fall, and hopes more boys will take an active interest in cross country.

VARSITY FOOTBALL - 1953

During the 1953 season, the Wheaton Tigers wrote another chapter in the success story of Wheaton football. The team deserves considerable distinction for being one of the few undefeated, untied teams in our football history.

Aided by an experienced backfield and an eager line, Coach Horsley, with the assistance of Mr. Garner, succeeded in molding together a smooth-functioning unit.

Significant victories were posted early in the season against Naperville and Glenbard, and as the season progressed, the Tigers continued winning.

The players attribute much of their success to the fine spirit of the student body, whose enthusiasm is always an important factor.

The coaches are looking forward to another fine season this year with five of eleven regulars returning to action; and, if the terrific spirit of the student body continues, this expectation will be fulfilled.

FROSH - SOPH FOOTBALL - 1953

This is the eighth straight year that our frosh-soph football team has either won or shared the conference championship. Most of these achievements can be accredited to the fine work of Mr. Colin and Mr. Longacre whose leadership has helped make frosh-soph football successful.

The varsity will more than likely be using the services of last year's frosh-soph captain, John Rhodes, who, besides showing signs of being an excellent linesman, has developed the art of kicking extra points. The success story of this team, however, cannot be accredited to any one man, for each man played an important part in helping his team to victory.

VARSITY BASKETBALL

This year's basketball team was a surprise to everyone. Up to February 1st, they had won 15 of 16 games with 6 more to be played before state tournament time. Their only loss was to highly-rated Morton of Cicero.

The Tigers made up for their average shooting with a lot of hustle and a strong desire to win. All but four of their 15 wins were closely contested battles. In many of these they were behind most of the game, but the combined efforts of Ron Lederman, Bob Zeman, Fred Bennet, Ed Backe, Jim Roberts, Pete Zouvas, Max Hobbs, and Dick Kroehnke turned what looked like defeat into victory.

Prospects look good for next year's team. Five returning veterans will be given able assistance by the group of sophomores who played on Coach Rex Sherman's frosh-soph team this year.

FROSH - SOPH BASKETBALL

Lacking an impressive victory record this year, the frosh-soph did their best with ability and spirit.

Led by Jim Gauger, Bob Lyda, Dick Nelson, Howard Gaede, Gene Murdock, Rollin Sublett, Roland Darst, Mr. Sherman's "merriwell" boys gave the Wheaton fans many thrilling moments.

Many of their losses could have gone either way, and with a little more effort on the part of their key personnel, many of those close games might have been turned into victory.

The players commended Mr. Sherman on the excellent coaching and understanding he gave to them during the season. The team itself has been well coached in the basic fundamentals of basketball, which should prove helpful to the varsity teams in the next two years.

WRESTLING–1953

Although four matches still remain on the schedule at the time of this writing, the present record indicates a successful season under the able guidance of Coach Don Garner. The season record now stands at five wins and two losses. The Tiger-Grapplers have had successful ventures against McHenry, York, Oswego, Waukegan, and Riverside-Brookfield; while losing to LaGrange and Hinsdale.

Some of the outstanding members of this team who are hoping to lead their team to the district championship, and to send several members to the state finals, are Jack Ingold, George Craig, Allan Kramer, Everett Irwin, and heavyweight Dick Schmitt.

Coach Garner is looking forward to another fine season this year, and hopes more boys will realize the advantages of this body-building sport.

Back row: Hamilton, Holmsted, Kroehnke, Baumler, Kamm, Balzhiser, McMahon, Lebo.
Front row: Bennet, Ulery, Winsor, Johnson, Hamilton, Nissen, Jobson, Lambert, Hiebner.

LITTLE SEVEN CHAMPS OF 1953

Wheaton's ball and bat men became the first Little Seven baseball champs. Men like Balzhiser, Kamm, D. Hamilton, and the others paced the Tigers to a 6-2 conference record and 8-3 for the entire season. In no case did another team beat Wheaton twice, and the teams that did defeat them also lost to them.

The dual pitching staff of Kamm and Jobson was lost through graduation, but most of the team is coming back. They are Balzhiser and Lebo, catchers; Bennett, Holmsten, Kroehnke, Lambert, McMahon, and Ulery, infielders; Baumler, F. Hamilton, and Johnson, outfielders, and we hope that Nissen, who is also an infielder, and McMahon can develop into a capable pair of mound men.

BROADCAST

It is the duty of the BROADCAST, the school newspaper, to publish and record accurately the news of the school and the school activities. Working to accomplish this is a staff chosen for their ability and co-operation.

Conferring prior to an issue of the BROADCAST are, left to right: Diane Slingerland, Co-Editor Features; Jim Sharp, Sports Editor; Babs Schutt, Editor; and Marcia Koch, Co-Editor Features.

After all the hurly-burly's done, it is fun to sit down and look back at the many hectic moments there are in producing an annual. These are the folks who have braved the journalistic gales to bri ₅ you this yearbook. It isn't perfect, but then neither are we.

Pictures were our biggest chore this year. There just seemed to be a dearth of photographic genius in our midst. Mr. Kohli, The Daily Journal, and good old Peter Hill finally got us out of the hole.

Here it is. We hope you like it.

FORTUNE GUILD AND THESPIANS

"Follow the Dream" is the 1953 vehicle which carried the Fortune Guild-Thespian efforts to a sparkling performance on October 29th and 30th. There was much laughter in this comedy.

LATIN CLUB

The Latin Club is a very large organization composed of WCHS students who have taken Latin. The highlight of our year is in March when all the members enthusiastically look forward to the Roman Banquet. This event is planned by the members under the supervision of our sponsor, Mrs. Williams.

First row: Strauss, Norris, Varley, Dugan, Boren, Foster, Womeldorff, Adams, Shufelt, Halstead, Chummers, Holcomb, Darrah.
Second row: Begalke, Letterman, Perry, Hennix, Evans, Bartels, Rogers, Wheaton, Varley, Burgess, Krueger.
Third row: Dodd, Thieman, Kalmans, Karnuth, Grant, Backe, Witt, Johnson, Klein, Burt, Gates, Burkholder.

CHOIR

This has been a very active season for the choir under the leadership of Mr. Gansman. At Christmas time the choir gave its annual candlelight vesper service at Gary church. The choir looked forward to the spring concert and the Varsity Show.

The choir did not limit its activities to the high school, but also participated in the Fox Valley Music Festival at St. Charles High School. It also brought a bit of gaiety to the little children of Herrick House. The choristers sang a short program of Christmas numbers for the young rheumatic fever patients who appreciated their efforts with happy smiles and applause.

An octet represented the choir at separate meetings of the Lions Club and Kiwanis.

EL CLUB ESPAÑOL

The Spanish Club sponsored by Mr. Alfred Samper seeks to interest the students of Spanish in the many facets of Spanish culture which have contributed so much to America. These scenes were taken at the Christmas Fiesta. This club also seeks, through recreational means, to promote the learning of conversational Spanish. It is one of the largest clubs in the school.

BILL GOODRICH

What we have gained in these four years that we have spent at WCHS has undoubtedly been the greatest single factor in developing ourselves so that we can successfully establish our place in this fast-moving world.

Among the many personalities we have come to know at WCHS, perhaps we will remember most the teachers. They have led us down the path to graduation, and now the responsibilities of life rest on our shoulders.

It is becoming more apparent that new fields of endeavor are constantly opening up to our generation.

It should be our greatest ambition to develop our opportunities to levels never before dreamed of in attaining a lasting peace.
